INSETS

The Inset days have now been set and will be 3rd – 7th June 2019. We only had 2 parents over both the schools who were not happy with the Inset days being grouped together, so we went with the majority, who were happy with the decision to group them together. We have taken on board the concerns raised by these parents, one of which being a difficulty in attending parent/governor meetings during school hours, therefore our next parent/governor meeting will be after school and we will provide child care. Our Chair of Governors, Russ, has also suggested that we could look into a holiday club run by parents and we are happy to help in arranging with this.

Y2 - Y6 - We are about to set up 'Toot Toot', an on-line anti-bullying initiative promoted and funded by the Department for Education. Whilst incidents of bullying in Boskenwyn are few and far between and resolved quickly when incidents do occur, ensuring children have a voice and the confidence to use it, is very important as a life-skill. The resources also guide and support children regarding cyberbullying, which they may well encounter as they grow up. We are keen to promote our children's well-being, confidence and self-help strategies with regard to safeguarding issues and we felt this project well worth taking part in. The DfE are assessing the impact of the initiative and students, staff and parents are asked to complete a short on-line survey. We would be very grateful if you are able to take five minutes to do it: Boskenwyn's identification number is 1745
