MESSAGE FROM MISS BLACKBURN

Dear parents and carers

We've had another busy week with all the classes starting to prepare for their Christmas Productions. I think we will be in for a treat at the end of term!

Well done Boskenwyn School! We raised a massive £319 for Children in Need last Friday with our Run Pudsey Campaign. That's got to be a record for our school! Congratulations to everyone who participated and contributed!

Mrs Larcombe held her first SEN Peer Support group on Thursday, which was well received. The next one will be in March next year.

The weather this week has been completely unpredictable; so please make sure your children all have coats or raincoats to bring into school.
The children in Rosemullion Class also need a set of spare clothing too. They are enjoying themselves in the mud kitchen, but we do need them to be able to change into something warm and dry when they've finished.

FInally, for all parents to whom we've lent spare school clothing, please may we have it back - clean and dry - we are running out of spares when children get wet!

I hope you all have a lovely weekend.

Paula Blackburn

CLASS UPDATE

Poldhu Class

This week saw the start of our Christmas play rehearsals. All the children are very excited. It is already looking and sounding great. We can't wait to perform it for you!

Last week, we were lucky to have Mr Studd, a PE teacher from Helston School, come in to work with us. We were meant to have a session on rugby but unfortunately the weather was against us. Instead, the children took part in different team games in the Village Hall.

On Wednesday, Poldhu Class went to the Maritime Museum for a Viking workshop. We learnt about Vikings as traders, their lifestyles, where they lived and how they travelled both overland and across the seas. We all found the museum fascinating.

ECO CLUB

This week, we have continued making our Eco Christmas decorations and cards. Just a reminder that we have decided to move our Eco club across to Wednesdays from January onwards. This will distribute clubs better across the week. Please let Linda know if your child would like to join Eco Club on Wednesdays from January.

ClotheSwap

If you have clothes you don't wear or are the wrong size, please bag them up and bring them to school either on Wednesday 2nd or the morning of Thursday 3rd December. On ClotheSwap day (3rd December) we will lay them out and all you have to do is bring a bag and fill it with clothes you or your family need. Whatever is left will be put in the Bag2school collection, so there won't be any waste.

If you have any indoor plant pots you can donate, we are going to repot the plants in the classrooms with new compost to give them a fresh start to next year.

Have a lovely weekend,
Eco warriors

SCHOOL UNIFORM

Labeling School Uniform:

Please remember to put your child's name in their school uniform. It is difficult to reunite jumpers with children without names!

Similarly, please can you check the labels in your school jumpers as some labelled jumpers have also gone missing!

NITS!

Do we need to say more?!

Please check your children's hair. These horrible creatures are still doing the rounds!

BAG2SCHOOL COLLECTION

We are having a Bag2School collection on Tuesday 8th December to raise money for the school. We are paid by the weight of the load which is collected by van from us early in the morning (normally around 8:30-9am).

Please save your unwanted clothes, bags and shoes for us!

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:
1) We will inform Cornwall Council so they can update their website
2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

Werecognisethat thedecision toclose a school in theevent ofan emergency (egsnow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given toschools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close. Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at **www.cornwall.gov.uk/schoolclosures** and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
