Boskenwyn School Newsletter

6th November 2026

MESSAGE FROM MISS BLACKBURN

Dear parents and carers,

I hope you all had a restful half-term break last week. We seem to have returned straight into the depths of Winter! Please remember to make sure your child has a coat with them, our playground can get very windy.

Could you help us? We would like to do a second-hand uniform rail every Friday morning and afternoon. The aim is to give all parents and carers the opportunity to donate, purchase (for a small donation), swap or take for free an item of school uniform to help ease any financial burden; or to help you recycle items too small and swap for larger ones etc. We have some donations to start us off, what we don't have at the moment is a clothes rail! If any of you have a clothes rail that you would like to donate, please could you bring it into school? We will get this up and running ASAP.

In the same vein, I see that our Eco Club are also organising a swap shop of children's and adults' clothing. The first ClotheSwap is taking place on Thursday 3rd November, just before the Bag2School collection. All unwanted clothes will be sent to Bag2School. Please read Eco Club's article below.

Have a lovely weekend

Paula Blackburn

SAFETY REMINDERS

Please do not park across the staff car park and obstruct the entrance.
Drive slowly when you enter and leave the school.

Please do not park across the staff car park and obstruct the entrance.

CLASS UPDATE

Church Cove Class

It has been lovely to welcome the children back after half term; we have wasted no time in getting straight back into our learning.

We have read the story of the Iron Man this week and began immersing ourselves in the text, by exploring and describing characters, acting out verbs and using adverbs to inspire these actions.

The class have shown a real enthusiasm for multiplication and division and have been really enjoying pictorial methods to solve times and divide sums in Maths. We have also started our PE unit of rugby this week, focusing on techniques for throwing, catching, moving and communicating.

The class thoroughly enjoyed their DT unit before half term, which involved designing and making their own inventions inspired by the Ancient Greeks. We are now using their knowledge of Ancient Greece to inquire into the geography of Greece and comparing it to our own. We had a real mix of catapults, alarm clocks, Trojan horses, and even an odometer!

We have also started learning about Judaism and their traditional festivals, as well as caring friendships in PSHE and light and dark in Science.

ECO CLUB

This year, Eco club has had a bit of a late start, but we are now fully up and running again. Hopefully the children who are on the list still want to carry on in Eco club, or maybe some others might be interested. Please let Linda know if your child would like to join Eco Club.

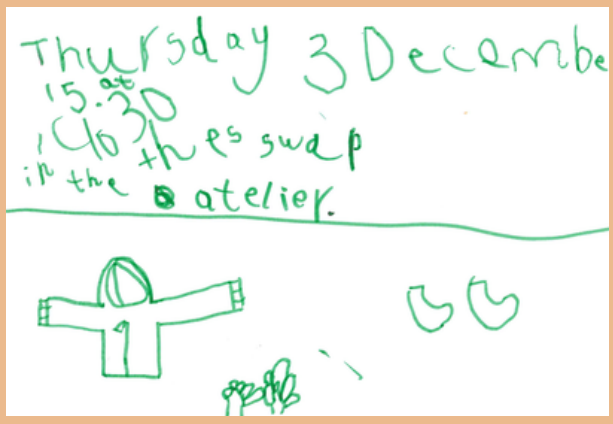

ClotheSwap

This week in Eco club we took the opportunity to make posters for our first clothes swap which will take place in the Atelier on Thursday 3rd December. This will be a couple of days before the bags2school collection. If you have clothes you don't wear or are the wrong size, please bag them up and bring them to school either on Wednesday 2nd or the morning of Thursday 3rd December. On ClotheSwap day (3rd December) we will lay them out and all you have to do is bring a bag and fill it with clothes you or your family need. Whatever is left will be put in the Bag2school collection, so there won't be any waste.

This is a great idea to do something for our environment and not waste any clothing.

Have a lovely weekend
Eco warriors

SCHOOL UNIFORM

Labeling School Uniform:

Please remember to put your child's name in their school uniform. It is difficult to reunite jumpers with children without names!

Similarly, please can you check the labels in your school jumpers as some labelled jumpers have also gone missing!

NITS!

Do we need to say more?!

Please check your children's hair. These horrible creatures are doing the rounds again!

BAG2SCHOOL COLLECTION

We are having a Bag2School collection on Tuesday 8th December to raise money for the school. We are paid by the weight of the load which is collected by van from us early in the morning (normally around 8:30-9am).

Please save your unwanted clothes, bags and shoes for us!

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:
1) We will inform Cornwall Council so they can update their website
2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

Werecognisethat thedecision toclose a school in theevent ofan emergency (egsnow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given toschools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close. Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at **www.cornwall.gov.uk/schoolclosures** and on our social media channels.

Social Media

- **Facebook**
  www.facebook.com/TFFCornwall
- **Instagram**
  www.instagram.com/TFFCornwall
- **Twitter**
  www.twitter.com/TFFCornwall

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
