MESSAGE FROM MISS BLACKBURN

Dear parents and carers,

What a wonderful production we had this week! The children sang beautifully, acted tremendously, danced wonderfully, directed sound and stage incredibly and worked so well together as a team when performing *The Wind in the Willows*. We are so very proud of each and every one of them and all their achievements. Thank you to those of you who helped with props and refreshments, we couldn't do it without you.

Don't forget it is sports' day and the summer fayre next week. Please ensure your child has appropriate sport shoes on, has a water bottle, hat and sun protection with them.

Be careful in the sun over the weekend, UV levels are high (7) which is high risk, particularly between 1200 and 1500 so make sure you are well protected.

Have a safe and enjoyable weekend

Paula Blackburn

CLASS UPDATE

Poldhu Class

Wow, it has been a hot one this week!

On Tuesday we performed our production of Wind in the Willows. The children were amazing, even in the heat, with melting face paint! It was wonderful to see Year 6s, who 2 years ago were quiet and shy, perform on the stage with such confidence.

We have focused on keeping cool this week and have had discussions about the hot weather and how it feels different when you are on holiday.

The children have enjoyed some free creative time, and we have a wide variety of projects going on.

The Year 6s have been thinking about their Leaver's service and Miss Willoughby says we are all in for a treat!

Our sustainability recipes have now been finalised, and everyone is looking forward to cooking with Miss Faucher next week.

ECO CLUB

This week, in Eco Club, we got a really good start on our scarecrow. Thank you so much to all of those children who contributed to its success. There was some great work achieved!

We just need some finishing touches now; we're looking for:

Wig, or something for hair
head scarf
face!
gloves for hands

Yesterday was the last Eco Club before we break up, so if you can help with any of the following, please can you bring it in early next week?

Please remember to look out for our scarecrow during the holidays - it'll be outside the garage in Gweek!

SCHOOL UNIFORM

A Reminder of our School Uniform:

*Black or dark grey trousers, skirt or joggers.

*Red polo shirt and navy/blue jumper or sweatshirt. We have a sapphire blue school sweatshirt which you can buy for £11 cash in the office or on SchoolMoney. If you are new to the school, SchoolMoney will be activated after your child's first day.

*Comfortable shoes or trainers are fine.

*No big logos or flashing lights please.

* A rucksack containing a water drinks bottle, raincoat, hat and some suncream.

Asda seem to be able to accommodate our uniform requirements without going somewhere pricey.

PASTY DAY!

THURSDAY 23RD JULY

It's Pasty Day on the last day of term!

On Thursday 23rd July, we are having a PASTY DAY in lieu of the usual lunch options.

We will have on offer: Steak or cheese and onion pasties

Sausage rolls or vegan sausage rolls.

There are no jacket potatoes available so if your child is unable to eat the pasties or sausage rolls above, you will need to provide a packed lunch.

If your child would like to join in Pasty Day but is unable to eat the pasties on offer due to allergies, please feel free to bring your own pasty in for us to heat up for your child.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the attached guidance from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually.

The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at www.cornwall.gov.uk/schoolclosures and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
