MESSAGE FROM MISS BLACKBURN

Dear parents and carers,

I would like to dedicate this week's slot to the children who attended Songfest this week, and the staff who made it happen. It was a pleasure to accompany them to Princess Pavilions where they performed a variety of songs, along with other primary school children from across Helston and Falmouth. They were prepared for the festival by Amy Woodburn, who gave up her time to do rehearsals with them. Mrs Harvey took them in the minibus, and I stayed with them and got to see their wonderful performance. We even had a little time to play in the gardens and on the beach too! Well done everyone and a huge thank you to Amy.

Thank you to those who have brought things in from the wish list. It is very much appreciated. I have left it on, as it will be things we would like throughout the year.

Have a lovely weekend, Paula Blackburn

In Maths, we have revisited multiplication and division and have been learning lots of different methods to support us with this.

In PE, we have been doing tennis and gymnastics which the children have been enjoying. In Science, we have been exploring forces and magnets and in Inquiry we have been continuing our learning of Roman Britain.
