MESSAGE FROM MISS BLACKBURN

Another busy week for us all. Mrs Larcombe, Mr Height and I attended a Mental Health Conference on Monday evening. It was really informative and we learnt lots about school avoidance, LGBTQ+ support, cultural social and school inclusion, pupil agency amongst other things. It was also a good opportunity for us to recognise how much we do already to improve pupil and staff mental health and well-being at our schools. We have mental health areas on both school websites under parent info. Please take a look if you would like to know more on how to support you and/or your child or if you could do with any tips. Mr Height is the Senior Mental Health Lead for staff and pupils at Germoe and Mrs Larcombe is the Senior Mental Health lead for staff and pupils at Boskenwyn. Please don't hesitate to contact one of us if you would like any further support.

Mr Watson and I attended early reading training yesterday and got lots of great tips to feedback to the rest of the staff. One of them was about creating a weekly reading café for parents and children to read together. We are hoping to set this up after half term and after speaking to the rest of the staff, we will keep you informed.

Mrs Basher and I will be leaving for Finland tomorrow to learn all about coaching strategies for pupils and how this improves learning in Finland and other Scandinavian countries. We also want to find out more about intrinsic rewards and how they tackle this in some of the most successful countries. We will update you on our findings in the next parent governor meeting on 8th November.

Thank you all for coming along to the Harvest Festival this week. It was a lovely afternoon and the children did so well. Thank you to FOBS and FROGS for all of your hard work and thank you too for your kind donations. We raised a great amount to split between school and Helston Food bank.

Wishing you a lovely weekend
