MESSAGE FROM MISS BLACKBURN

Our first week back! Welcome to all parents of existing and new children to the school, I hope your children are enjoying their experience with Boskenwyn as much as we are enjoying meeting them.

It was great to see you at the welcome meetings on Monday. We made a lot of ground and there was a great deal of support for which we are all very grateful. Unfortunately, due to some individual concerns/problems being discussed there, I didn't quite complete the agenda as I had liked. I have put the agenda and slides which I had prepared, onto the Boskenwyn School website for you to look over and also for any parents who couldn't make it. We have already started to action some of the points discussed, one of which is this new format of the newsletter. I hope you like it! I have also set the dates for all of the parent/governor meetings for the year so you can plan them into your diary and attend if possible. The next one is 21st September, 2pm at school and hopefully we can continue where we left off and work together to make our school the best learning experience for you and your children. I hope to see you there, we will meet in the green room between Mr Conway and Mr Watson's class. You can find the link to the welcome presentation on the school website below:

Boskenwyn Primary School

We briefly discussed the topics for this term which are:
EYFS/KS1 (early years and year 1/2) - Minibeasts and Toys
Years 3 and 4 - Ancient Greece
Years 5 and 6 - Anglo Saxons and Romans

I mentioned the topic webs which the teaching staff have put onto their class area of the school website. These not only tell you the topic but also tell you what will be covered in all the different subjects such as geography, history etc. You can go to Boskenwyn School website and click on the classes tab at the top which takes you to your child's class page or you can follow the link below:

CLASS UPDATE

Poldhu Class

It has been wonderful welcoming the children back to Poldhu Class this week and seeing so many happy, smiley faces.

We enjoyed our trip to Germoe on Tuesday where Edmund the Saxon got our topic off to an exciting start.

We have been so impressed with the children's attitude to learning and are looking forward to seeing what they achieve in the coming weeks.

FOBS

We are fundraising again, on a Just Giving page, to help fund the repairs to the wooden climbing structure, and create some new painted games to liven up the playground for our lovely school.

Please share far and wide, we are so grateful for every penny donated as it will go directly to improving our kids' school environment.

We are so lucky to have such dedicated families giving their time, muscles and energy to building/repairing the structure, however we do also need some funds as (like everything else) prices of timber and paint have gone up lately.

Thank you so, so much for your support
