MESSAGE FROM MISS BLACKBURN

Dear parents/carers

I can't believe we are at the end of another school year already! It has been such an exciting year with so much going on both within the curriculum and outside the curriculum and the children have been so lucky to have a wealth of opportunities to broaden their horizons. I wish all of our year sixes a very bright future as they move on to high school and hope they come back to visit us to let us know how they are getting on. Best of luck also to the parents of the year sixes who will be leaving us too and thank you for all you have done for our school.

It is always difficult to communicate things which aren't pleasant but here goes... from 4th September, our school lunch prices will increase to £2.50. This is due to supply costs rising, staffing and budget cuts. I'm genuinely sorry we have to do this but we have no option. If you feel your child is eligible for free school meals, please apply online at Cornwall Council Free School Meals.

We are in the process of setting all of the important dates for next year and we will communicate them on the first newsletter of the new academic year. However, please put the welcome meeting date in your diary for the first week back. This is Tuesday 5th September at 2.30pm at Gweek Village Hall. The meeting will give you chance to listen to the plans for the next academic year, the trips which lie ahead, the curriculum changes etc and a chance to meet the new families joining the school. I hope to see you all there.

We are sad to say goodbye to Mr Barco and wish him the best of luck as he embarks on his teacher training journey. We will also miss, very much, Mrs Harvey, who has been with us a very long time and is now retiring after many years as a teacher and teaching assistant (not to mention her other roles!). It will be so strange not seeing her around, Mrs Nicholas is still in denial, but we wish Mrs Harvey the best of luck for the future.

Thank you also to Jules as she steps down from being the chair of FOBS. She has put in so much hard work and effort and raised lots of money for school resources and trips (making them cheaper for parents with subsidies), she will be greatly missed. There is still a vacancy for a new chair and unfortunately FOBS will not be able to continue without one, please let me know if you would like to give it a go. We will give you all the support you need.

Remember, we finish at 1.30pm on Tuesday! Thank you to all of you for your continued support throughout the year, we wish you all a lovely Summer.

Stay safe, Paula Blackburn

CLASS UPDATE

Rosemullion Class Update

We have been very busy this week preparing for our summer production. All the children did a fantastic job performing for their families on the Thursday and for the school on Friday.

We all worked so hard that we decided to celebrate by having a super fun water fight before lunch.

We will be enjoying the last few days together next week as we prepare for school holidays and next year.

REMINDERS

Please remember to close all gates as you enter and leave the school grounds to help keep our children safe.

If you arrive after 8.45 (KS2) or 9.00 (KS1) please take your child to the office to sign them in.

If your child is going to be off, please phone the school office, 01326 572618, before 8:45am.

Take care with children when crossing the road as some traffic is travelling very fast.

Please do not park across the staff car park and obstruct the entrance.

SUMMER READING CHALLENGE

The Summer Reading Challenge is in full swing and we have been around to each class this week to encourage children to take part.

It is easy and free; just head to your local library and ask to join, then read any 6 books over the summer to earn a medal and be in the prize draw.

Children can read fiction, non-fiction, poetry, or picture books, and they can read with an adult or to themselves; just keep the magic of reading alive!

We have signed up to the Teachers' Summer Reading Challenge too, so we are all really looking forward to swapping book recommendations in September. Have a brilliant summer!

FOBS NEWS FROM JULES

What a lovely, slightly damp, but fun summer fair! Thank you all so much for coming along and supporting ♥ We made a massive £600!

Special thanks to all who helped, set up, attend the pre event meetings and reading the massive amount of WhatsApp messages that go back and forth , manning the games, sorting the ice creams, refreshments and bbq, fixing and repairing the activities beforehand, providing prizes and helping tidy-up 😊 Oh and of course the teachers who got pelted in the face with a lot of wet sponges!

That was my last event as Chair of Fobs! It has been an absolute pleasure to work (volunteer 😊) alongside such lovely parents and grandparents over the past 6 years.

When I started as Chair there were only about 40 kids in the school. Over the years the number has swiftly grown, as have the range of events that we have put on, from Christmas and Summer fairs, to social evenings with fires and music, Easter activities, Mothers day crafts, Colour hampers, supporting the kids' performances with refreshments, gardening and playground repair work days among others.

FOBs money is spent on the items that you may spot around the school, ie the wooden playframe, the bamboo fences, the willow structure and gardening items, the new wooden hut and storage, playground equipment and toys to name a few. But the funds are also used behind the scenes to pay for things such as theatre groups to visit the school , class gift vouchers for kids to spend and to support the Greenpower car team that did so well this year.

The school really can't afford to loose Fobs, not just because of the money and fundraising aspect but because it really helps to make our school community so wonderful and connected 😊

SO PLEASE...KEEP SUPPORTING any little, or large, way you can.

THANK YOU, LOVE JULES ♥

FOBS NEWS

Jules is sadly leaving the position of FOBS chairman. During her 6 years as chair she has helped raise just over £11,000!!! in support of our school and local charities, working on behalf of FOBS.

The FOBS team are very thankful for all the hard work and effort she has put into our events and hopes that she shall support us in the future.

Due to Jules' incredible fund raising, FOBS has been able to provide the school with play equipment, the outdoor shelter, store sheds, pantos/show's, Christmas gifts etc, the list keeps going on.

We thank you again for all your hard work
