MESSAGE FROM MISS BLACKBURN

Dear parents/carers,

We would like to thank you for your continued support, especially on Wednesday when some of our NEU staff members were striking. We fully support them and their valid reasons for taking this action. They are asking for, and fully deserve, a fully funded pay rise in line with inflation. We will continue to support them in every way we can.

The children had a great day, most with different (but familiar) staff members which showed their flexibility and stamina. Well done to everyone.

Have a lovely weekend

Paula Blackburn

CLASS UPDATE

Church Cove class

As always, we have had another busy week in class this week.

In Maths we have been learning about fractions and decimals.

In Science we have been learning all about plants, which has supported our writing in English. We have written up our investigations on cress seeds as an instruction text.

In Inquiry, we have continued to learn lots about Romans and their invasion into Britain, the children have loved learning about this.

SNACKS AND DRINKS

No sweets for snacks at break times please – something more nutritious for the children is required.

We do sell tuck in the tuck shop, most items are priced at 25p and the children enjoy selecting their snack at morning break.

If you don't wish to leave your children with cash to buy tuck, please bring cash into the office and we will add it to your child's tuck account.

No energy drinks to be brought into school please, and only water in the water bottles.

SCHOOL CLOSURES IN EMERGENCY – AGREED NOTIFICATION PROCEDURE

Please see the guidance below from Cornwall Council. Sometimes schools have to make the decision to close either partially or fully due to inclement weather such as snow or other unforeseen circumstances. The procedures are revised annually. The agreed notification Procedure for our school is:

- 1) We will inform Cornwall Council so they can update their website
- 2) We will inform local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM, Pirate FM) so they can make announcements and update their websites
- 3) We will post on our Facebook pages, "The Federation of Boskenwyn and Germoe School," "Boskenwyn FOBS" and "Germoe FROGS"

If you wake up to a blanket of snow in the near future then please make sure you check one or more of the above places to keep up to date with school closures, it may be that we open later or close earlier so you will need to check before coming to school. If the school needs to close whilst the children are there then we will contact all parents via phone.

School emergency closures

A guide for parents / carers

We recognise that the decision to close a school in the event of an emergency (eg snow, flooding, no water or heating) significantly impacts upon you, as parents / carers. This guide outlines the agreed procedure which all schools are asked to follow and offers advice to parents / carers on the key things to consider, both before and after the decision to close has been made.

Guidance given to schools

Guidance and procedures are sent to all schools on an annual basis, usually at the start of the autumn term. To prevent the possibility of fraudulent school closures, schools are required to follow a verification process before providing school closure information. Schools are then asked to:

Undertake a risk assessment, using common sense to determine whether it is feasible for children and staff to remain in the school; and if not, what subsequent risks could arise by sending them home. Before school hours start, schools are also asked to assess if the roads are safe for children to travel to school.

Seek approval from the Governing Board (usually the decision of the Chair of Governors will suffice) to authorise the decision to close.

Notify Cornwall Council and the local radio stations (BBC Radio Cornwall, Goldmine FM, Heart FM and Pirate FM). Providing the school follow the agreed procedure, each of the radio stations have all agreed to broadcast details of all school closures.

We will publish a list of current school closures on the Cornwall Council website at **www.cornwall.gov.uk/schoolclosures** and on our social media channels.

Know your school's procedure

Although schools are asked to follow this procedure, schools will have their own plan of action to be followed in the event of a closure. This should include details of how parents will be notified (eg via radio, text message, social media, etc). It is essential that schools communicate their plan to all parents as early as possible, and equally that all parents familiarise themselves with the agreed plan.

Who to contact

If the decision is made to close, you will be notified by the school's agreed notification procedure. Should you need to contact the school directly, please be aware that the line(s) may be busy or unavailable when a large number of parents are calling at the same time.
