

### English

This term we will be writing non-fiction recounts about our unique experiences we have had during our time at home.

We will be creating explanation texts about the importance of staying fit and healthy.

We will be linking poetry to Art and Music and also building our oracy skills when evaluating our Inquiry learning .

We will also be linking English with DT by creating our own instruction text to accompany our favourite home cooking recipe.

### RE Christianity

We will be finding out more about the Christian way of life.

### Physical education

We will be looking at doing home work outs using Joe Wicks youtube channel and yoga using cosmic yoga or the zen den.

As our topic is all about striving to achieve our goals , we will be looking at professional athletes who have gone from 'zero to hero' and their journey.

### Science

We will be taking an exciting journey into the study of plants and living things.

### Modern Foreign Languages

We will be appreciating stories, songs and rhymes in French and using these to write our own sentences from memory.

## **Striving to Achieve our Goals**

## **Summer 2020—Hendra and Church Cove Class**

### Computing

Aside from our continuing development into excellent online/home learners, we will be looking at the importance of E-Safety and what it means to stay safe online.

### Maths

This term we will be learning addition and subtraction mental and written methods; how to tell the time; how to understand place value; fractions; multiplication methods; shapes and angles and how to solve a range of different problems.

### Inquiry

#### History and Geography

We will be looking at how trade has shaped our world and the impact economic success can have.

#### Art.

We will be looking into the impressionist style/era, the great artists of the time and applying those skills to our own works.

#### Music.

We will be looking at the music of the impressionist era and, using either online digital resources or our chosen instrument, create a piece of music to accompany our artwork.

We will also continue to practice our singing skills with Sing-Up home learning.

#### DT

We will be learning how make, cook or bake something that you have never done before.

**See “What does Inquiry based learning look like?” for hints on how to support your child’s learning through provocations and questioning.**
