BOSKENWYN BANK

The Bank is open again, 8.45am every Tuesday morning in Poldhu classroom. This is a way to save towards trips and school camp.

HAND, FOOT AND MOUTH

Just to make all parents aware that we have a case of Hand, Foot and Mouth disease at school. Children can return to school after the fever has gone or the blisters have dried up.

PARENT QUESTIONNAIRE

Staff would really appreciate it if you could complete the questionnaire which was sent out last week and return it to school as soon as possible. If you would prefer it to be anonymised please feel free to do so. We would appreciate any positive comments you would like to make about the school as well as any areas for improvement.

ON-LINE GAMING

There have been reported incidents from schools in Cornwall of primary school age children being groomed through on-line games, the main one being Fortnite. Not only is there the danger of grooming but this game has also been age restricted as 12+. The children will have an on-line safety talk next week to help them stay safe on-line. If you would like an information leaflet about Fortnite please pop in to see Mrs Nicholas or visit www.nationalonlinesafety.com.
