A love of learning for life

Coronavirus update

Following on from yesterday's letter,

The latest advice from government as at 13/3/2020 states that anyone showing the following symptoms; dry cough and /or fever should not come to school and self-isolate for 7days, calling 111 if necessary. Please inform school if your child is absent due to these symptoms. As reported yesterday, it is only the DFE who can order a school closure due to Coronavirus pandemic. However, should a number of staff become ill and need to stay off school then, due to staff shortages we will follow the "School Emergency Closures" procedure (see overleaf) after completing a risk assessment. Please listen to Radio Cornwall, Pirate FM, Goldmine FM or Heart FM for regular updates of school closures.

Staff have been working on a contingency plan for school closure due to Coronavirus and can be contacted via Tapestry (Early Years, Y1 and Y2) and See Saw (Years 3-6). Letters are also going home today with a log-in guide and instructions. Please let us know via email if you have any problems logging in.

Our termly inquiry based learning grid will be available on the school website from Monday 16th March 2020 so that in the event of closure, children are able to continue their learning from home, using the grid as guidance for them and for you. Pupils will also be expected to log in to their Mathletics site. Any inquiry project work can be done on-line or in written project books.
