

English

Narrative

We will be exploring narrative through looking at the book 'What The Ladybird Heard'.

Non-chronological reports

We will be studying and writing non-chronological reports, focusing on minibeasts and toys.

Inquiry

Our inquiry will be focused on biodiversity and creativity by understanding these concepts, learning about types of minibeasts, how they can be recorded and represented. We will also be inquiring into toys throughout history.

Maths

We will be focusing on number sense and additive reasoning while developing our understanding of mathematical language.

PSHE/RSE

We will be settling into our new classes, establishing a welcoming environment and a love of learning.

Science

We will be exploring living things and their habitats by making close scientific observations, using scientific language to identify and describe vertebrates and invertebrates, considering what living things need to survive, and developing scientific skills to ask questions, carry out simple tests and record findings.

PE

We will be developing practical skills in football alongside developing physical movements and sporting techniques.

Minibeasts and Toys

Biodiversity and Creativity

Biodiversity can be captured through creativity

Art and DT

We will be mastering techniques such as sculpture and printing, using skills such as rolling, cutting, pressing, molding and carving.

RE

We will be learning about Christianity and the creation of the world from a Christian perspective. We will also be learning about harvest.
