We are lucky to have Mr Zhang with us in Praa Sands Class on a Monday and Tuesday this year, to teach the children Mandarin. He has offered to run a Mandarin Club on a Tuesday after school for Years 2-6 so that they also have the opportunity of learning this language. Mr Zhang is also happy for parents to attend the Club. If you or your child would like to attend this club, please see Mary in the office.

**Message from DISABILITY CORNWALL**

We are running free sport activity sessions for children and young people aged 6-18 with additional needs or disability and their siblings on Monday 22 October, at both Cornwall College (Camborne) and Bodmin Leisure Centre.

These sessions have been running since 2015 and are really popular and well loved. We are trying to reach new families who have never heard about them.

If parents would like to get a feel for the sessions they can have a look at our Facebook group which has more information and lots of photos.
